HYMAN CHEARACTER,—Purity and sweethers, the river was falling yearing, to since we interest the river was falling yearing, to since we interest the river was falling yearing, to since we interest the river was falling yearing, to since we interest the river was falling yearing, to the river was falling yearing with the fallier than the river was falling yearing, to the river was falling yearing with the fallier was falling yearing and interest the river was falling yearing and interest. The river was falling yearing with an ampoint of the New York Year Times (T. Carl, And T. Carl, Creaming the river) and the Paris carrespondent of the New York Times (T. Carl, And T. Carl

In 1840 M. Mires lived in a garret—in other words he was a poor man. But he is a Jow and a strewd man, and with the natural money-making instincts of his race, as whe revolution was the favorable moment for a man or an additional control of the c infairs, and to see whether fortune was not in his favor. His first essay was in the their deposition in their professions. They worked in different coopes, and retired upon the animal professions. They worked in different coopes, and retired upon the animal professions. They worked in different coopes, and retired upon the animal professions. They worked in different coopes, and retired upon the animal professions. They worked in different coopes, and retired upon the animal professions. They worked in different coopes, and retired upon the animal professions. They worked in different coopes, and retired upon the animal professions. They worked in different coopes, and retired upon the animal professions. They worked in different coopes, and retired upon the animal professions. They worked in different coopes, and retired upon the animal professions. They worked in different coopes, and retired upon the animal professions. They worked in different coopes, and retired upon the animal professions. They worked in different coopes, and retired upon the animal professions. They worked in different coopes, and retired upon the animal professions. They worked in different coopes, and retired upon the animal professions. They worked in different coopes, and retired upon the animal professions. They worked in different coopes, and retired upon the animal profession of the season was a profession of the state of public and the season was a profession of the state of public and the season was a profession of the state of public and the state of publi combined treasury of the French railway companies, a position in which he was entrusted
with hundreds of millions of money belonging
to otherm, he was the founder and head of the
great dock improvement at Marseilles, known
as Lo-Joilete, he owned and managed for
himself and others as immense amount of the
head paying property in Paris, and he lately
made a grand coap in the affair of the Ottoman lean—a coap which will create consternation at Constantinople when the fact of his
arrest is known, and will come nearreshaking
the Ottoman Ports to its foundations than the
throne of Louis Kapelson.

The characterists is foundations than the

throne of Louis Napoleon.

The charge upon which M. Mires was arrested is not that of forgery, so far as I can sarr, it is offense, to give it a mild came, is that of swindling; the French term is zero-queric. As assper of the money of all the railroads of France money or which he was Queria. As a separ of the money of all the railroads of France, moory on which he was authorized to specimize in order to increase the dividends of the companies he first disposited in the bank of France, most be first disposited in the bank of France, and the sum is has managed by some nears to cheer the bank and the tailroad shrickers.

The intelling a bank, and threats of expensing his removes that nacing attitude of the bank which case artist and another consensation of the same and the series and it was removed at the government to take steps in the heart of the same and the steps in the branch and the steps in the steps in the branch and the steps in the steps

bank of France; but these are not the only leases the public will metaln in the france and failure of M. Mires. In all the industrial enterprises in which he was engaged, there will, berhans, be heavy leases.

ACTS AND REGULATIONS ACTS AND REQUIATIONS

In the management of the combined railroad treasury, M. Mires had joined to him fear crumsellors as a committee of surveilance, of these the Baron de Richemont, receiver of the taxes of Paris, was one. M. Mires was arreved on Sunday, and the Baron de Richemont did suidenly, it was said, of apoplexy, on Manday. But the fact is, he hew his brains out with a pistol—at least, so it is said confederate States, so the first or of Mires are on any publication made hefore conviction.] The three other connections of M. Mires, of whom M. Ozanam, charged with the La Joliette speculation, was one, bare taken fight. Thry are all supposed to be implicated in the frauda.

In the management of the combined railroad in the continue in force certain laws of the United States of America.

ACTS AND REQUIATIONS

IN KLLATION TO THE CONTINUE AND THE CONTINUE AND

I need not tell you that in Catholic countries the rich, when such a catastrophe falls upon a family, either to attempt to deceive the world and the church is the real cause of death, so the logalit admission to the church, or class to bay, with a large sum of mopey, from the church, the rites to burial they could not otherwise obtain. Within the year, a rich negociated in the came house in which I live, committed suites to select the burner of the came house in which I live, committed suites to select the burner of the committed suites to select the burner of the contespeary, thus this Contespeary, but this Contespeary, thus this Contespeary, but this contespeary, but the cape there has been so that the contespeary of the set, shall be recompared for the contespeary of this set, shall be recompared for the found that the suite of appointment of the contespeary of the set, shall be recompared for the contespeary of the set, shall be recompared for the second of the suite of any other of the second of

a Christian burial.

Six months age M. Mires married his only daughter to the young Fribre de Polignes, to whom the gave as a marriage portion \$500,000 = 2,000,000 frames. The prince is the young set of the sous of the Minister of Charles X, all of whom were astherious he than the poung set of the sous of the Minister of Charles X, all of whom were astherious he the sound to the sous of the Minister of Charles X, all of whom were astherious he the sound to est of the some of the Munister of Charlies X, all of whom were sutherized by that monarch to hear the title of prince. He is the same that used out to Nigaragua two years ago with M. Belly, and was charged with the military department of that celebrated expedition. A report having got into circulation, since the incarcaration of M. Mires, that he had made ever to his non-lig-law, in provision of what was going to hatpen, a large proportion of his fortune, the prince has gobe to the Count if Germini, president government of these States, and the relivence of the Rank of France, and Charged provisionally with the direction of the railroad treasury in place of M. Mires, and all the diamonds and other presents which accompanies the matriage portion of the railroad treasury in place of M. Mires, and the matrice with the direction of the railroad treasury in place of M. Mires, and the matrice with the direction of the railroad treasury in place of M. Mires, and the matrice with the direction of the railroad treasury in place of M. Mires, and the matrice with the direction of the railroad treasury in place of M. I take special pleasures to stating that Mr. Robert W. Frontick has been intimately known to may from sarrious childhood. His peculiar, intelligence, caractify the bonights and strict conscientions are were marked from the bias APPMA Choracter Room 1814.

Desa and strict conscioning aneas, were marked from the time when it is hophed he breast his profession in the affice of a Passial Agenci. No one that have blue well then has been surprised at his steady and rapidrize, at the reposition is made of the suspiness of Mun & O., at Washington, I have after comparable him to persons in olderant parts of the control requiring the a competent, faithful and mencionities Patent Agent; and I have never faithful and conscionities Patent Agent; and I have never faithful and conscionities a confidence as the independent manager of a faithful surprise. I can competed him write put more confidence as the independent manager of a faithful surprise where a match dependent on the shiftly sarvell as the perfect in the results of the service of a faithful surprise when the shiftly sarvell as the perfect in the results of the service of a faithful sarvell as the perfect in the strict of the service of a faithful sarvell as the perfect in the strict of the service of the strict of the service of the strict of the service of the territy of an armal GRO, W SAMSON.
